

## Electronic Giving made easy

St. Anselm parishioners love the convenience of contributing to the Church electronically. Many do so, using their credit card, by logging onto the [ParishPay.com](http://ParishPay.com) website specifying St. Anselm Church, and contributing to each of the various campaigns weekly, monthly or yearly. Please keep in mind that 5% of these donations goes toward credit card fees. When you donate \$100 to St. Anselm Church with your credit card, the Church only receives \$95. Make a change..... try EFT to see if it right for you.

Flexibility

You choose the amount given each month and if you would prefer the transfer to happen on the 5th or the 20th of the month.

Amounts can vary if you desire

Your contributions to 2nd collections may continue as you wish. You may specify the amount given to each campaign (Archdiocesan Charities, School, Building and Maintenance, Priest's Retirement, St. Vincent de Paul, Missions, etc.)

Peaceful

No need to update any expiration dates, no need to write out any checks, no need to bring any currency to Mass, when the focus should be on the readings.

Easy

Fill in the form on the right. Attach a "voided" check. Send it in to the rectory/drop in offertory P.O. Box 1061 Ross Ca. 94957

\$200 per month is \$46 each week, 52 weeks per year

**Computing your Tithe**  
*When you tithe, give generously. Be systematic, plan ahead*  
**Everyone can Tithe:** Employees, self-employed, retired, teens.  
*Make it work for you.*

If you make \$20 per hour, give \$87 per month

Some people set aside a percentage of their income each month. Others give by proportion-one hour worth of their salary per week

Do not make giving a burden to you or your family

If you start at less than 10% try to increase your giving as your income grows, until you reach 10%.

## Electronic Tithing symbolizes and helps express your commitment to Christ and the Church

The Church, it's clergy and it's ministries are always here for you 24 hours a day, year after year. What better organization to contribute to than one that continually helps others, spreading the Good News, generation after generation?

*Your electronic giving helps the church, even when you are away!*

St. Anselm Parish has been here serving the community for over 100 years.

Even when you are away, your electronic offertory continues to further the Church's mission of promoting the sacramental life of the Parish, teaching ways to live out the gospel readings and comfort those in need (spiritually, emotionally and tangibly).

Planned electronic giving allows the church to budget expenses accordingly, offer enhanced religious education programs and maintain outreach activities, especially helping those in need.
