St. Anselm’s Parish is a Catholic community formed by families, individuals and clergy that worship together, celebrate the sacramental life of the Church, and seek to live the Gospel of Jesus Christ everyday. We welcome, serve, and educate.
Dear Parishioners,

In the Gospel reading of this Sunday we read, “And when he had said this, he breathed on them and said to them, ‘Receive the Holy Spirit.’” He empowered them with the Spirit.

When John wrote those words, he had the creation story from the Book of Genesis in mind. After God formed the first man from clay, God breathed into his nostrils the breath of life. As God breathed into Adam the breath of life, so Jesus now breathed the Spirit into these disciples, making them a new people. The word Spirit means breath. The Spirit is our inner core. As we celebrate Pentecost we are all invited to see the breath of God in us. And then, we will know that our inner being is the Holy Spirit.

Yours sincerely,
Fr. Jose Shaji, Pastor

**SCRIP PROGRAM**

At St. Anselm School, the Scrip program is a major fundraiser that allows us to keep our tuition costs lower than most other Catholic schools, and it is very easy to participate. Scrip is available through Standing Orders, which can be given to the office. We also have inventory on hand that can be purchased from the office. Please call the School Office to place an order (415-454-8667) or you can pick up an order form from the plastic shelves in the Church’s front entrance.

Please visit [www.stanselmanyo.com](http://www.stanselmanyo.com) for more information and to register. (do not call the church or school office)

**St. Anselm Ride-Share:** Marin County is blessed with many important programs addressing religious and social issues. The parish is looking into facilitating a program for people needing rides to countywide church events/programs, including evening events. Would this interest you? Would you consider being a volunteer driver for such events? Would you consider being a coordinator for this program? Please give us your feedback at info@saintanselm.org, or 415-453-2342.

**Here are some tips for GREENING your wardrobe:**

**Buy resale or consignment.** Visit your local resale shop to find unique fashions without breaking the bank. Places like Goodwill, and Salvation Army have unique items at low prices, and keep clothing out of landfills.

**Check the label.** Avoid clothing that requires dry cleaning. Natural fibers are often easier to care for at home. They can be washed in cool water and hung out to dry, reducing chemical use and energy, too.

**Try fabric blends.** Fabrics that are a blend of cotton and synthetic fibers can usually be laundered at home.

**Dress down.** Fancier outfits seem to require more dry cleaning than casual wear. Encourage your office to implement a "casual day" on Fridays.

**Recycle.** Don't toss your old togs in the trash. Donate to a resale shop or a charity drop-off box, or throw a yard sale. Even your old tennis shoes can be recycled at many Nike Stores to be recycled into new products.

**Wash Sparingly.** Levi Strauss’ CEO Chip Bergh and designer Tommy Hilfiger have both advised their customers to refrain from washing jeans...like, at all. Even if the no-wash treatment isn’t for you, chances are your clothes could handle several wearings before washing.
