Go . . . and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit.-- Matthew 28:19

St. Anselm’s Parish is a Catholic community formed by families, individuals and clergy that worship together, celebrate the sacramental life of the Church, and seek to live the Gospel of Jesus Christ everyday. We welcome, serve, and educate.
Dear Parishioners,

Jesus before his ascension gave to his disciples the great commission, to preach the Gospel to all the nations. He promised to be with them always, “I am with you always, until the end of the age.” This was the best assurance he could have given them. He did not guarantee them a trouble free, persecution free and successful life. The presence of Christ would give them strength and courage to face whatever lay ahead. Our awareness of the presence of Christ will not change the world for us. But it can give us the courage to face it.

Every month the second collection on the 1st weekend of the month is for St Anselm School. In our Finance Committee meeting we decided to have the second collection taken for the school every three months. Every time we take up a second collection for the school, we will be doing a fundraising for the school for a specific purpose or cause. We will also have one of our students speak to us at that mass.

Yours Sincerely,

Fr. Jose Shaji, Pastor

**Riches**

Of what use are riches in eternity?

--St. Aloysius Gonzaga
Most Holy Trinity Sunday—Three-in-One Love: When I was much younger, I used to think that God was totally invisible, not to be experienced as the people in the bible did. After all, they heard God's voice in the fiery cloud; they saw the waters parted so they could pass through—all the things that Moses talks about in the first reading. But then I ask myself, do I want my faith to be based on special effects? Or do I want to trust Jesus, who told Thomas, "Blessed are they who have not seen and have believed." (Jn 20:29)

Jesus was referring to his resurrection appearances, but it also applies to the Holy Trinity. When we see a newborn child, she can remind us of God the Father creating the earth and all living things. When we see the cross, we recall Jesus’ saving death and resurrection. When we share our faith with someone, we know that it is the Holy Spirit who gives us the words to speak and the courage to speak them. Seeing God's work around us, we can still experience God in Three Persons.

The three are not just equal parts of God, one-third of God each. Three infinite Persons are united in one substance or being, so the love they have for each other is infinite. Everything God does is done by all three Persons. So you could say that everything the Trinity does, is done out of love.

**Cursillo Weekend**

**Women’s Cursillo—November 8-12**

**Men’s Cursillo—November 15-18**

Cursillo, a Spanish word meaning a “short course” in Christian Living, is a unique retreat experience that is presented largely by lay individuals who share their Christian walk in life through a series of informal talks and discussions. It is open to adult men and women of all Christian denominations and provides an opportunity to reflect on values and goals as Christians. It is filled with music, great food, and tremendous humor. This year’s Cursillo weekends will be held at the San Francisco Theological Seminary in San Anselmo. Questions? Please email Cathy Cunningham at info@saintanselm.org.

You get about 27,375 days on earth. Can you spare 3 of them with whom you’ll be spending eternity?

Thank you for supporting Catholic Charities Sunday-Thank you to Pastors and Parishioners throughout San Francisco, Marin, and San Mateo Counties, for your recent generous donations during the annual Catholic Charities Sunday second collection at your parishes. Founded in 1907 and rooted in our faith traditions and justice, Catholic Charities supports families, aging adults and adults with disabilities, and youth through social services and opportunities for healthy growth and development. Because of donations earlier this month, we can continue working to care for our brothers and sisters in need. Together, we are preaching the Gospel everyday by strengthening families and reducing poverty; one person, one family, one child at a time.

Each year, an estimated 500 billion to 1 trillion plastic bags are consumed worldwide. That comes out to over one million per minute. Billions end up as litter each year. According to the EPA, over 380 billion plastic bags, sacks and wraps are consumed in the U.S. each year. **Environmental Impact:** Hundreds of thousands of sea turtles, whales and other marine mammals die every year from eating discarded plastic bags mistaken for food. Plastic bags don't biodegrade: they photodegrade - breaking down into smaller and smaller toxic bits contaminating soil and waterways and entering the food web when animals accidentally ingest. Plastic bags are among the 12 items of debris most often found in coastal clean-ups, according to the nonprofit Center for Marine Conservation. Paper bags, which many people consider a better alternative to plastic bags, carry their own set of environmental problems. For example, according to the American Forest and Paper Association, in 1999 the U.S. alone used 10 billion paper grocery bags, which adds up to a lot of trees.
