If we have died with [Christ Jesus] we shall also live with him; if we persevere we shall also reign with him.

-- 2 Timothy 2:11-12a
My Dear Parishioners,

At the time of Jesus there was no cure for leprosy. Leprosy was considered as a highly contagious disease. Once a person contracted this disease, the person was kept out of society. It was a terrible existence for a leper. So, how could the nine lepers not come back to thank Jesus for the cure? They took it for granted. People today also take for granted all the blessings that they receive and do not feel grateful for what they have received. The Gospel story is an invitation to each one of us to recognize all our blessings and to be grateful to God for all his blessings.

Yours Sincerely,
Fr. Jose Shaji Pastor.
